

The Landing School Awards scholarships to those who qualify. There are a variety of scholarships that fall into two categories, merit-based scholarships and need-based. Need-based scholarships are awarded on a first-come, first-serve basis. Qualified students may be awarded both need and merit-based scholarships.

Merit-based scholarships have an application process. The scholarship committee reviews applications and determines awards. Prospective students may apply for multiple scholarships. If the eligibility requirements for the scholarship are not met, the scholarship will not be awarded. Submissions should be emailed to inquiries@landingschool.edu or mailed to The Landing School at 286 River Road, Arundel, ME, 04046.

Scholarship Name	Definition	How to Apply	Award	Deadline
The Inexperienced Boatbuilder's Scholarship	Sponsored by the Technical Communications class of 2021. The Inexperienced Boatbuilder's scholarship is for an accepted Landing School student who has little to no experience in the marine industry. This competitive scholarship will be awarded based on applicants ability to demonstrate and communicate their reasoning for choosing the Landing School, despite inexperience.	This may be expressed through essay, video submission, or any other creative means, and must include the following information: 1.What is your primary reason for choosing the landing school? 2.What draws you to the marine industry? 3.What do you expect to take away from your education at the Landing School? 4.What might you be able to offer our community?	TBD	July 30
